# Bombay

Why try and cram a whole summer of fun into one or two short weeks? A new BOMBAY Cornelius pool makes your summer fun last all summer. It's like one endless summer of cool fun for the whole family.

### LASTING STYLE AND VALUE FOR YOUR BACKYARD

A BOMBAY pool brings unique style and beauty to your backyard. Color coordinated Grey posts and top ledges add a graceful touch. This look compliments any backyard and any taste. And this new BOMBAY pool looks beautiful year after year, while it adds value to your lifestyle.

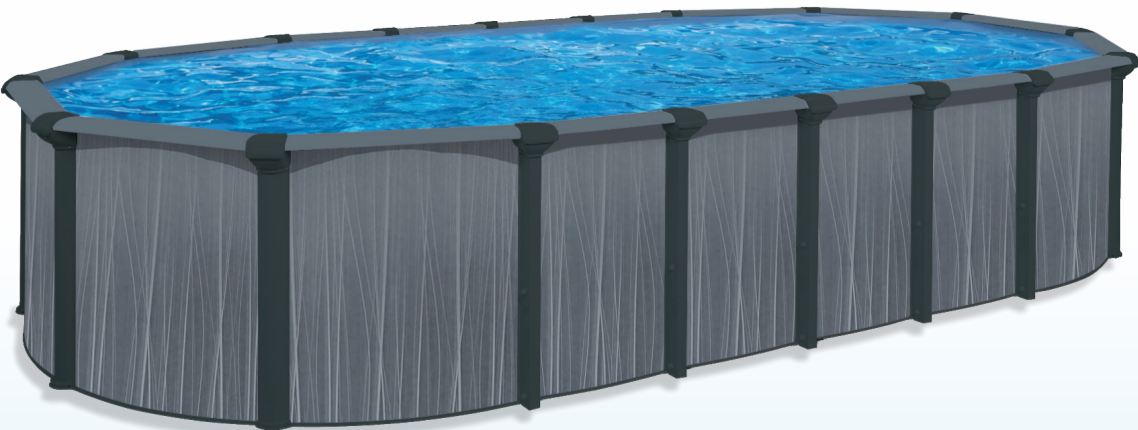

Our extruded 7" resin ledge resists weather, water and wear. Durable 6" steel upright posts with unique interlocking resin caps and resin foot collars give the whole package strength, support and style. Galvanized steel frame components have polyester paint finish and Krystal Kote® sealant to provide years of lasting beauty and quality. Heavy-duty resin tracks, oversized resin connectors and oversized fasteners add strength for a pool that will last for summers to come.

A BOMBAY oval pool brings the ultimate in style to your yard with a fun, flexible shape. Added engineering means long life, easy care and more useable yard space. Available with A-Brace system or space-saving Narrow Buttress System (NBS). Your BOMBAY pool installs easily. Ledges, caps and posts fit snugly and securely. Skimmer and return outlets come pre-punched.

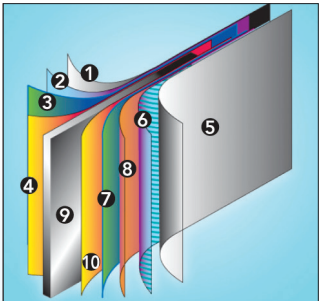

If you're handy with a screwdriver, then you can easily assemble your own BOMBAY pool. We've designed each pool to make installation problem-free—no multi-sized washers or nuts to worry about. Just one large screw type is used to assemble the entire pool and we provide easy-to-follow instructions.

Round Bombay - Royal wall offered in 52 inches

NBS oval Bombay - Royal wall offered in 52 inches
