Grecian 12' x 24', 14' x 28', 16' x 32', 18' x 36'

Choose from two exciting
beaded liner patterns

One pool kit can be installed in so many different ways. As a supremely solid Semi-Inground pool, partially buried to match up to your walk out patio, or almost completely buried to offer a raised pool for your backyard. Finally it can be installed entirely inground!

**A Magnum 52" pool has the
versatility to make your backyard
dream come true!**
